

Granite Pavers

on the Memorial Walkway of the NH State Veterans Cemetery

The New Hampshire Veterans Cemetery Association, Inc. (NHVCA) was established based upon the desire of veterans, families, friends, and organizations to honor their loved ones and participate in the continued beautification and improvements to the cemetery. The money raised through donations fund improvements which are outside the scope of the normal operations and are only possible through the generosity of all those who help to make our Veterans Cemetery a place of peace and tranquility.

Memorial Pavers are one way in which individuals and organizations can participate through donations. Pavers are available at many monuments on the NHSVC Memorial Walkway and typically are 12" x 12" (\$250.00). Some monuments have smaller pavers 6" x 9" (\$150.00). See the backside for which paver size is available at the monuments.
